

M60: Boss Polish + Boss Lab V2

Generated UTC: 2026-05-01T00:42:29.486813+00:00

Status: Fallback report generated outside Unity because batchmode was blocked by Unity licensing initialization.

Action: Re-run Hollow/Generation/Generate Milestone 65 Assets from Unity to replace these fallback reports with asset-scanned reports, BetaContentLock_M63.asset, and BetaQaChecklist_M64.asset.

This document is useful for handoff/planning, but it is not a passing Unity validation report.

Source Notes

M60 focuses boss polish before beta.

- Keep the 10-boss M53 roster.
- Polish the beta subset first: Stone Warden, Splinter Saint, Gravel Maw, and Cartouche Widow.
- Improve windups, arena readability, boss intro/death/reward clarity, and Boss Lab frozen/live inspection.
- Do not add new boss reward systems in this milestone.
